Share Holders and Workers now collectively own + control their companies.

1. KEY is Shareholders now vote real time by 51% majority to SUSPEND all SEC trading until market conditions stabilize. No more will any news of any disaster or event cause our profits from being drained out of our long term stock gains. **Short term gains and all taxes** are hereby ratified eliminated forever.. Use of Broker Proxies is permitted as long as original stock owners are Identified. on each trade in migrated FOIA.ONE database open public trading platform keith created.
2. **Shareholders vote by New ByPass ByLaws on: Who are their executives and their package of total compensation and benefits.** No more Board of Directors and underground crime networks can control your stock assets and use of profits to criminally profiteer including Campaign Contributions, Stock Options, use of corporate assets for personal use profiteering, and other abuses of your intrinsic based company. The highest merit persons are voted as our managers up to our CEO's. common sense
3. **Shareholders collectively vote/agree on delay time/days between Buy or Sell order and actual execution day at the future high or lower price.** This destroys all day trading, prevents all stock market crashes, stabilizes all real valuations, and empowers all stock holders and staff to control and manage all major expenses, product/service changes, and therefore their own share value benefit payouts. All corporations now achieve true **INTRINSIC** values determined by true world valuations.
4. **Employees collectively vote on the benefit packages for their peers, upper and lower tier organization structure.** This eliminates all Trade Unions as unnecessary and collectively uses the engineered divined SolutionPeace.com/5Steps method to benefit all involved by focusing on the most efficient supply chain creation of state of the art branded products and services that eliminate waste of time, manpower, and God's original natural resources. Use BidOnKeith.com Duncan #1 Evangelist.
5. **Any Executive who refuses to use above can easily be OUSTED** by their shareholders and customers who are OUTRAGED the individual violates their daily voting rights to decide the Profitability control of their public open owned corporation. Applies to employees of all private corporations once everyone sees that all benefit using the simple Scientific methods of BuiltByKeith.com.
6. **All broker fees of buy/sell are eliminated.** All transaction fees are paid by the Corporate executives as they now have incentive to boost intrinsic value while minimizing those who sell out short term gains. Directly affects them when they sell their own stock as they are taxed just like everyone else. Everyone benefits now that all executives take full compensation in paychecks . Everyone in our companies now have the same health, insurance, and other benefits as our CEOs.
7. All Law firms now convert to LLC and public traded INC to prevent lawyers from hiding behind the LLP (limited liability Partnerships) claiming immunity from being prosecuted because a few of them violate our laws. This specifically affects Sally Q Yates at SYates@kslaw.com for her conspiracy role.
8. The old method of boycotting companies by refusing to buy their products is the other prime option to force corrupt executives out of office when employees and clients are outraged by the actions of their very own highly paid consultant advisor leaders at all levels.

9. Any Executive board who refuses to use above system will cause all stockholders to cash out all their stock and buy-in to [CREATORKEITH.SPACE](#) stock and other corporations that use our methods.
